Telephone

Fax

Mail

Please fax back the completed form to 416-366-1818

-----

The Chinese Business Chamber of Canada (CBCC) is the only business association that provides free import service to Canadian buyers who need to find source of supply in China. Once we receive the completed Import Service Request Form from a Canadian buyer, we email the information to our members which represent hundreds of manufacturers and trading houses across China. The Chinese supplier will contact the Canadian buyer directly; CBCC is not a business and will not directly get involved in business transactions. Our unique role is to bring buyers and suppliers together.

The CBCC is a non-profit organization established in 1998, and it is a business association of the Mandarin Chinese. With over 1,300 active members we are the largest Chinese business association in Canada.

For more info please contact the CBCC at 416-366-0966 or visit [www.chinesebusiness.ca](http://www.chinesebusiness.ca)
